

# SCATTERBIRD

**GAS POWERED BIRD SCARER**

# MARK 3

The Scatterbird Mark 3 is a sturdy, purpose built bird-scaring gas gun designed specifically to meet the needs of the farmer.

Developed from the successful Scatterbird 2, which has for many years set the industry standard for durability and reliability, it incorporates many innovative features, including the use of UV stabilised, impact resistant polypropylene for the casing, and improved performance whilst retaining simple flexible controls.

A superb all-weather piece of equipment, the Scatterbird Mark 3 provides excellent value for money and uniquely high performance.
